Key provisions and advantages of the Cyprus Tax System

Cyprus offers an attractive and transparent legal and regulatory tax regime, which is fully compliant with EU, OECD and international laws and regulations. Cyprus also provides access to an extensive network of more than 60 Double Tax Treaties and maintains a corporate tax rate of 12.5%, one of the lowest in the EU.

Tax incentives for companies:

- Dividend income exemption for companies, subject to certain conditions
- Exemption of gains on disposal of securities (e.g. shares, bonds, debentures)
- Attractive Intellectual Property (IP) tax regime
- Tonnage tax option for shipping companies
- No withholding taxes on dividends, interest and royalties for non-resident companies
- Exemption of profits earned from a permanent establishment abroad, subject to certain conditions
- Exemption of capital gains arising from the disposal of property outside Cyprus
- No immovable property tax
- National Interest Deduction on the issue of new equity, under certain conditions
- No taxes upon the liquidation of a company
- Group loss relief as well as 5 years losses carry forward relief

Effective tax planning plays a significant role in creating a robust, financial plan for corporations as well as for private individuals
